

Chariot Enterprise

Unlocking the \$230B sitting in DAFs

Chariot

Custom Volume Scale

Use the scale below to calculate the correct monthly price based on desired DAF processing volume via Chariot

Volume	\$1.0M	\$2.5M	\$5.0M	\$10M	\$15M	\$20M	\$30M
Pricing	\$1,450	\$3,230	\$6,350	\$12,500	\$17,500	\$22,500	\$31,500

Volume: Annual DAF donations via Chariot (\$ in Millions) // Pricing: Corresponding monthly subscription price

0% processing fees for donation volume included in your selected plan!

Custom volume plans are considered an Enterprise Subscription and come with Chariot's full set of features and support.

*All gifts in excess of included volume will still process successfully. A 2.9% processing fee will apply for this excess volume.

*Subscription fees billed annually. Subscription pricing does not include implementation costs which will vary based on implementation specifications (type and quantity of donation forms, etc.)
